

24 Carrots Golden Ale

Comparative

BJCP Style(s):

12A-British Golden Ale

30A-Vegetable Beer

ABV: 5.2%

IBU's: 12

Favorite Song:

Kanye West's

Gold Digger

Brewed with 24 pounds of Hayshaker Farm carrots per barrel this ale comes on clean and malty and finishes with a creamy, silky mouthfeel. A light-handed hop profile brings a mild spice character to play well with the carrot's vegetable qualities. A pint a day will keep your optometrist visits going smoothly*
