BJCP Style(s):

11(c) Northern Brown

ABV: 4.2 %

IBU's: 25

Favorite Song:

Cupid Shuffle

Blalock Brown takes its name from our brewery's water source. Carbonate rich Blalock water gives this ale a well-rounded, nutty, earthy flavor. Brewed using house roasted amber malt. With notes of woody mint, caramel and toffee this low alcohol session brew doesn't leave anything for want in the flavor department.
