**25B-Saison**

**29B- Fruit Beer**

**ABV: 7.7%**

**IBU's: 25**

### **Favorite Song:**

**Wagon Wheel by Old  
Crow Medicine Show**

Ceres, the Roman goddess of the harvest, fully approves of this seasonal ale. Brewed in late fall, with a blend fresh pressed apples from Warren Orchards in Dayton Washington. Rested over winter in stainless steel tanks and bottled in early spring. Light in color and body, with a dry, almost tart flavor, and a glorious fruit aroma. Ceres' Harvest is best enjoyed fresh, in the spring and summer. So raise a glass to the harvest! Cheers!
